BATES OF ADVERTISING: Twenty-five cents per line. Advertisements under the head of "For Sale or Rent," "Wanted," "Loot and Found," and "Personal," twelve and a half

THE WEEKLY NATIONAL REPUBLICAN republished every Thursday morning, and is fur-mission of the subscribers at the following rates: One copy one year, \$\infty\$; three copies one year, \$\infty\$; is no copies one year, \$\infty\$; single copies, in wrappers, five cents cach.

elety-rie cents per month, in advance.

passage of the civil rights bill, they should this point do not do full justice to the Comcompel their local authorities to put a stop mission. Speaking for the Commission he to the shooting and lynching of negroes.

THE telegraph brings the sad intelligence of the douth of Hon, S. S. Fisher and son by drowning near Harrisburg, on Friday last. Mr. Fisher was at one time Commissloper of Patents, and since one of the most eminent patent lawyers in the country. His death will be mourned by many friends in Washington.

band during 1966 and subsequent years, which that highly moral blackmaller has seen fit to publish. They contain little or nothing calculated to affect Mr. Beecher. On the contrary, they go to prove his innocence of the present charge against him, if they prove anything outside of the sheer

printed—written, too, by the woman with whom it is alleged he acted improperly.

The charge at the time of their appointment, and for months before it, was that we had a cumbrous and extravagant adminished. August 7. 12°, at eight o'clock, at Clarke's hall, 47 Pennylical avenue had a cumbrous and extravagant adminished. THE PRESS UPON BEECHER. The great majority of our exchanges, in tration of affairs here. The answer was The great majority of our exchanges, in tration of affairs here. The answer was ingthy editorials upon the defence of Mr. that the law of Congress creating it provided a Decher, substantially take the ground so expensive a machinery and made it which The Mational Republican took necessary. The Commission was directed to make arrangements to a significant took which The Mational Republican took necessary. The Commission was directed to make arrangements to a significant took necessary. Saturday morning—that Mr. Beecher is innocent of the accusations made against him by Tilton and his co-conspirators. The cessary, and make the government more officient. In accordance therewith the school boards were consolidated and the name city characterize his defence as a complete and satisfactory answer to the charges. The World, which does not love Mr. Beecher, his faith or his politics, has the maniliness to do tim justice. tics, has the manliness to do him justice. vantage of the public, they would be delin-"He has," It says, "spoken out like a man, quent in their duty if they did not do ex-'and he deserve, as we have not the least actly what they have done. As for all the sociation, corner of Mints and I could be will receive, a manly judgment "clap-trap" about mixed schools and the doubt he will receive, a manly judgment "clap-trap" about mixed schools and the at the hands of his fellow countrymen. dread some people profess to entertain that As for the vermin who have preyed upon the Commissioners are in some devious and him, it is as unnecessary to dwell upon diplomatic way endeavoring to bring it "their monstrous crime against society as about, the persons who utter it know better "it is difficult to see how that crime can be and do not believe one word of what they "adequately punished." The Argus, pub- say. The Commissioners have not done as lished in Mr. Beecher's own city, and ed- some gentlemen would have them do; ited by one of Theodore Tilton's "confi- hence the assaults so unfairly made upon dential friends," endeavors to divert the them. The whole thing is "too-thin." bolts which Beecher has hurled against Tilton; but the lame and impotent way in which it does so only shows the weakness of the course it is endeavoring to uphold. The Brooklyn Union, which was formerly owned by one of the parties indirectly consequenced. Because and edited by Tilton, is which it does so only shows the weakness corned. Bowen, and edited by Tilton, is We say instinctively, because current reitself entirely satisfied with the defence, ports, while they may suggest this vein of but doubts that it will be conclusive to a large number of people who are expecting that it will go to the courts,

are known to every man, woman and child capable of understanding anything, their expressions are of special value. Coming to Philadelphia, the journals of side of Deecher. The Press, the Telegraph, the Bulletin and other papers believe that his deience is very nearly complete. The Christians and church members. They Bultimore Gassits and American take the same eround. The former, which detests Mr. Bescher and his teachings, doctares: "The compositee may acquit, and Plymouth church may invite him to resume his " labors in the pulpit, but before the bar of can expect to get will be the Scottish one "of Not proven." The American is certain that "we express the opinion of nine tentiss of the Intelligent and virtuous people of the country who will read this ost impressive statement, that Mr. Bescher has not only made such a showling to his river behalf as entitles him to a ance or of religion itself, than ever before verdict of acquittal under the rules and In every city of the United States, and in 'limitations of judicial procedure, but that almost every town and hamlet, the fundlar he has absolutely and unequivocally esletters, "Y. M. C. A.," are to be seen on tablished his own innocence. It must be placards or signs, inviting strangers to pleasrenserabered that he is dealing with an ant rooms where the friendship and frateraccusation that can rarely be sustained or "refuted by positive avidence. Except " that the element of violence is wanting. "the offence charged is precisely similar to "one of which a great English jurist said " It is easily made, hard to prove, and still " harder to disprove." All that can be done " is to submit the evidence, and guilt or inpocence is a sastter of inference. After carofully weighing the facts presented by "Mr. Beecher, and viewing them in the "light of his explanations, there can be but

one inference, and that is, he is not guilty. The New York Express, which is regarded as the secular organ in New York of the Episcopalian Church, is equally emphatic in its judgment. It says: "To us, with no partialities for the accused, it "bears internal evidence of truth, and of a "conspiracy to extort money as the price ful professors of religion that all the truly "of silence on the part of Mr. Beacher's enemics. The avidence given is not only a similar import sufficient to fill columns injury both of "church people" and themand columns of this journal, but what selves. But we incline to believe that they would be the use? We have no special in-terest in Mr. Beecher or in Mr. Beecher's church, but this terrible scandal, the de-liar saving that "there is no safety outside church, but this terrible scandal, the details of which have for so many weeks flooded the country, is evidently the product of a base conspiracy against him, and every man in the community who values his reputation is directly interested in seeing that it shall not be successful, and that ing that it shall not be successful, and that demoralizing tendency. But, as we have ing that it shall not be successful, and that
Mr. Beecher's vindication shall be made
known of all men. Of course, a large
the moralizing tendency. But, as we have

COMMISSIONERS. Forney's Sunday Chronicle, in an ar-The NATIONAL REPUBLICAN is published every merging (Sundays excepted) at the southwest corner of the Commission in their declaration and foundating the District, doubts the simple of the Commission in their declaration and foundation that they did not and do not intend there.

State country to say so and call upon the general government for aid. Such a call will meet with a ready response if made. But it is meet with a ready response if made. But it is that they did not and do not intend there.

Before their seprence to their friends at meet with a ready response if the District their friends at meet with a ready response if the District their friends at meet with a ready response if the District their friends at meet with a ready response if the District their friends at meet with a ready response if the District their friends at meet with a ready response if the District their friends at meet with a ready response if the District their friends at meet with a ready response if the District their friends at meet with a ready response if the District their friends at meet with a ready response if the District their friends at meet with a ready response if the District their friends at meet with a ready response if the District their friends at meet with a ready response if the District their friends at meet with a ready response if the District their friends at the District the Dist by to bring about mixed schools. It says: "We hope they are sincere, but unless we "are very much mistaken, they or the "people are going to be cheated, and that, 'like the Poland gag law, it will turn out that "the movement means just what the people "suspect. * * * Disguise this matter "with the publicschools of the District was "philosophy of mixed schools." Now, the "gentleman." for publication, should be addressed to WM. J.

ILETAGE, Proprietor, NATIONAL REPUBLICAN,
Washington, D. C. as they were before, and even if the Com-THE NATIONAL REPUBLICAN HAS A missioners and the new school trustees had MORNING PAPER IN THE DISTRICT OF CO- not do it. When our cotemporary seeks to interpret the "motives" of the Is THE Southern people would avert the kind was intended. The printed reports upon

day, Gov. Dennison was plain and emphatic in his statement that nothing of the declared that "they had no purpose to encourage anything in the nature of mixed schools, nor any radical change in the school 'system." He told them that "the Commission would discountenace any proposition looking to that end; any suggestion of such a policy on the part of the trustees would be a violation of their purpose." You will, of course," he said, "understand that we are speaking to you officially as Commissioners of the District. WE PRINT this morning a large batch of "Whitever may be our individual opinions letters, written by Mrs. Tilton to her hus-"on the subject, or on any other subject "V/hatever may be our individual opinions that has or may come before us, we have no desire or purpose to obtrude fiver. our individual opinions upon the people of the District. Our answers and action 'on all such subjects have been and will "be exclusively official."

This is plain enough, Heaven knows, and silliness of their author. If Mr. Beecher it is difficult to see how people can misunhad been playing the role Tilton would have derstand it. The Commissioners were apthe world believe he played in his family, pointed for the express purpose of reforming, it is strange that some evidence of it should as far as possible, and simplifying the Disnot be found in a close, intimate, and gush- trict government. They were given extraing correspondence such as that herewith ordinary powers to that end, and are rehad a cumbrous and extravagant adminis-

THE MORALITY OF TO-DAY. thought as regards a certain coterie of persons who are connected with the Plymouth church scandal, are not accepted as truth and to "men of the world" who will be inful by the majority of the class to which capable of conceiving that a generous and we refer. In other words, the discussion noble mind could, from honorable motives, of that scandal even among those who disconsent to acts which might be regarded as believe it has aroused a sentiment altoevidences of cowardice and guilt. These gether foreign to it, and one which will ere are two of the three daily papers-one, the long betray itself in many ways. Argus, friendly to Tilton, and the other, prompts a comparison between the morality the Union, somewhat neutral. The reof to-day and yesterday, and the deductions maining journal, the Eagle, is the champion therefrom are as varied and numerous as of Beecher, and, of course, sustains him. the minds of those who entertain it. It is the custom, however, to declare that the despe-Printed in the community where the facts present generation has fallen away from the purity of its predecessors, and it is probable that two thirds of the world's people believe this to be true. that city are almost unanimously upon the Yet the facts do not sestain this assumption. Statestics show an increase each successive year of the number of professed also show an increase of the number and an improvement in the character of our benefactions and charitable institutions. Further, they show the organization of new associations intended to improve the condition of our fellow-men or to civilize and public opinion the most lenient verdict he Christianize the savage races. Where thousands of dollars were spent for these purposes in the last generation, millions are spent now, and the Government itself has become, to a great extent, an efficient agent in support of these schemes. Again, the women of America are more active now, either as workers in the cause of temper-

nity of religion reign supreme. But with all these indications of spiritual progress, so to speak, it must be admitted that an inclination exists to give a more liberal construction to religious creeds and a wider latitude to the acts of religionists Men and women think plainer now than their fithers and mothers did, and are not prompt the acts of every-day life are more frequently taken into account in our everyday discussions. In short, outside of the class known as strict sectarians and close followers of accepted precepts, the right of each and every man to reconcile his acts conceded, and it is acknowledged by thougtgood people in the world do not place their names on the rolls of church-membership. of a conspiracy, but of treachery, greed It is true that there are many who abuse We might give extracts of this latitude and take advantage of it to the

REIOHENBACH'S Plane Warerooms, SPECIAL NOTICE.-The proprietors GUNPOWDER

of Le Droit Park offer the few houses still remaining unsold of the large number just completed at low prices. These houses are varied in size, style and price, and are complete with all city conveniences. They are close to the city, being only about as far as the Capitol is from the White House from either of those points, with wide GRAHAM FLOUR just received fresh from the avenues extending to each, and being higher than M street they afford sommanding views of the city. They are all within wassessiling tow. about three squares of the Seventh and Ninth street cars, and only four squares from the Corooran market. We offer then as first-class property in "ceary respect, whether for residence or investment, and upon the most advantageous terms. That the promises us made last year have been fully redeemed, we invite the inspection of the public. This property is the "gilt

edge" of the city. 13 We will rent a few of these slegant suburban villas and cottages to first-class tenants only at low prices, if early application is made. A. L. BARBER & CO.,

Proprietors,

Will purchase a pound of very shoics OULUNG TEA at the AMERICAN TEA COMPANY'S, 1d3 Pomestivania avenue, compants Willard's hotel.

We have received from New York a choice involve of Tea, which we purchased direct from importers, at prices from ten to afroca per cent, lets than they cost importers. All importers of teas have sustained heavy losses they have and stringency of money. Large importers any obligate to sell in order to realise each for their stock, and it does not pay to carry over tea for the desirement. We are enabled to offer earl ease. We are enabled to offer earl counters. Teas at the following low prices. We guarantee all Teas sold by us to give satisfaction; and if not so, can be returned and have money refunded.
